CORPORATE VALUES

Benchmark Quality

We deliver the best quality and service to our customers. We ensure that our products passes the highest level of standards at all times and provide perfect bonding solutions.

Sincerity

To be sincere in one's work is to have integrity, morality and honesty in yourself. These are the foundations of a sincere employee.

Innovative Mind

We value new ideas. We encourage creativeness, dynamism and the ability to think out-of-the-box . We believe that being innovative is one big factor for us to be able to compete head to head in the industry.

Passion

Our employees are the best in their own process and strives to learn even more. They are motivated to be trained and maximizes their knowledge and skills to perform given tasks at their best capacity.

Teamwork

We recognize that no matter how good you are individually, this will not matter unless we work together as a team.

Collaboration of our hearts and minds and putting it together as one and making it work, that's what our teamwork is all about.

Mr. Akihito Nishibayashi
President
