NMCP Covid-19 Campaign

A young woman with long brown hair, wearing a white and blue school uniform and a pink face mask, is standing at a dark granite sink. She is washing her hands under running water from a chrome faucet. On the left side of the sink, there is a clear plastic bottle of hand soap and a small potted plant on a saucer. On the wall to the left, a blue and white sign reads "WASH YOUR HANDS" and displays several diagrams illustrating the correct steps for handwashing. The background is a dark, reflective surface.

- before and after eating
- after using the comfort room
- after touching contaminated surfaces, like handrails, doorknobs, and counters

NMCP Summer Outing

A group of approximately 12 people are sitting on a large, multi-colored inflatable raft (yellow, orange, and blue) on a body of water. They are all wearing orange life jackets and are waving their hands. The raft is moving across the water, and a small motorboat is visible in the background. The sky is blue with scattered white clouds.
